# St Leonard's Church of England Primary School National Online Safety Overview

Children now are more digitally savvy than ever before. At this age, they're gaining more independence and starting to explore the online world further, so it's important that they're taught how to navigate content safely and make sure they have the confidence and awareness to raise anything they're not sure about.

Purposely developed to make life easier for teachers, our lesson plans provide you with everything you need to engage and inspire young minds to learn about online safety. Formed directly in line with the learning objectives from the UKCIS Education for a Connected World Framework, these plans are designed to support statutory curriculum requirements and recommended best practice.
